

Permanently-Mounted Vibration Analysis Hardware

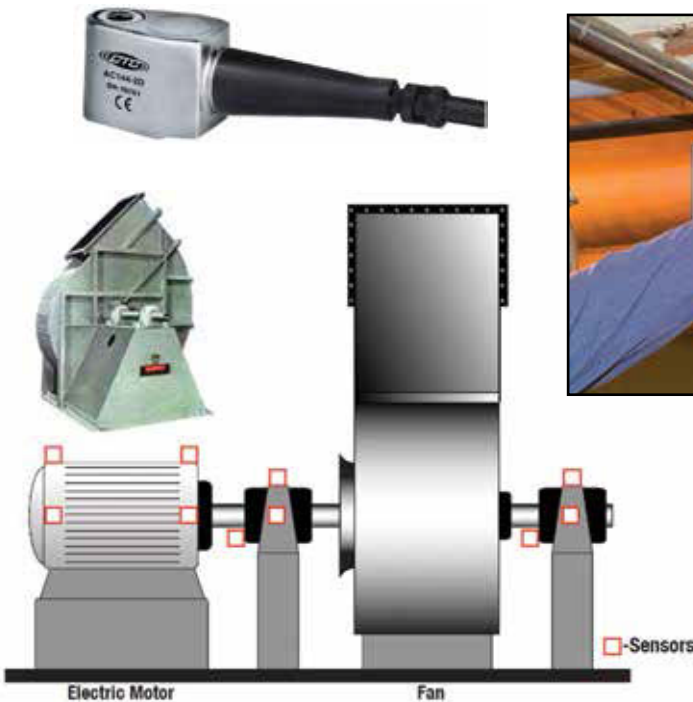

Dedicated People, Quality
Products, and Above All, Service.

Provide safe access to hard-to-reach bearings

Bring vibration signal to a safe collection site (for bearings that cannot be physically or safely accessed)

24/7 Vibration Monitoring

Provide continuous overall vibration/temperature monitoring on critical equipment with a 4-20ma loop power system. Tie signals into your Data Control System allowing you to monitor your equipment's health 24/7. Set alarms to warn of rising vibration/temperature levels or to shut the unit down.

CONNECTION TECHNOLOGY CENTER, INC.

We're proud to provide CTC hardware.
Made in the USA and
carries a lifetime warranty.
